Sir:

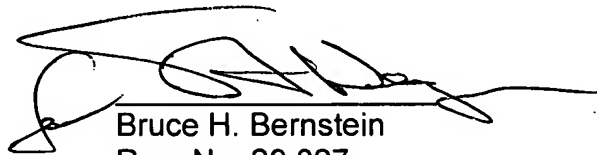

In accordance with 37 C.F.R. 1.76(c)(2), Applicants submit herewith a Supplemental Application Data Sheet [hereinafter "SADS"] in which only the information to be changed is identified, i.e., Claim Priority from 35 U.S.C. 120 to 35 U.S.C. 119 (e). However, to assist U.S. Patent and Trademark Office personnel and to ensure that this SADS is associated with the appropriate file, the following fields are also completed: Application number and filing date; the Attorney docket number; and the Customer number.

Applicant notes that the SADS attached hereto correctly identifies the Claim of Priority as **---119(e)---**, instead of "120", which incorrectly appears on the executed Declaration as filed.

Accordingly, Applicant requests entry of the attached SADS to ensure that the identified information is accurately printed on the face of the printed patent and that proper priority is claimed.

If there are any questions with regard to this submission, the Examiner is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
Fred C. LEE et al.
